NONE, Rural Lacombe County, Alberta

If you're looking for the true peace and solitude, this fully serviced 4 acre parcel might be exactly what you've been waiting for! Nicely treed and surrounded by beautiful farm land, there are multiple great building site options here for a new build or mobile/modular home. Property has an older drilled well and septic tank/field already in place from the previous residence, and natural gas and electricity are already on the property. There is a historic barn with a metal roof on concrete footings that would make an amazing shop or barn space for animals with some TLC and time invested, as well as multiple older sheds and outbuildings.
