The bright, open main floor makes daily life simple, with all rooms—living spaces, bedrooms, bathrooms, and laundry—conveniently located on one level. Sunlight pours through the bay window, creating a warm and inviting living area, while the enclosed sunroom at the back provides a cozy retreat for morning coffee, reading, or unwinding at the end of the day. Two comfortable bedrooms include a spacious primary suite with a private 2-piece ensuite, plus a versatile second bedroom ideal for guests, hobbies, or a home office. A full 4-piece bathroom completes the layout, with both bathrooms refreshed with new toilets.

Freshly painted walls enhance the move-in ready feel, complemented by smart updates like a new garbage disposal in the kitchen. Major improvements offer peace of mind, including a new roof on the house (2023) and shed (2020), new vinyl fencing, and a hot water tank (2024).

Step outside to a fenced backyard with endless possibilities—garden, entertain, or simply relax in your private space. A large

storage shed and cement pad provide options for RV parking, a patio set, or future projects, while the single attached garage and roomy crawlspace add convenient storage.
